OBERAMMERGAU – The Fall of 2020

This trip is being advertised now because it sells out quickly!

This is the story of how a plague swept across Europe in the 1600's. In desperation, the town council made a solemn vow that if God would stop the plague, they would present a play depicting the life and suffering of Christ for the duration of their existence. So, it continues every 10 years. The trip includes Geneva, Heidelberg, Worms, Rhineland, plus 7 other stops, then Oberammergau and Munich. I'm starting a list of potential participants. The exact dates and prices have not been announced, but interest is always high.
