PRESIDENT'S CHAT

The wonderful spring weather reminds us that it is picnic time and the annual **Club Picnic** will soon be here, so don't forget to sign up. The barbecue from C. B. Hannigans is always delicious and the games are a great time to renew old friendships and start a new one. This event is held at nearby Lake Cunningham Park with the buffet served at noon. You will find a reservation form below. You must sign up in advance.

George Nale and his crew did a splendid job on the **Pasta Fest**. The food, wine and fun were enjoyed by over 150 retirees and friends. Thanks, George!!

Take time to review the great opportunities that are offered to you from the club in this edition. There are so many enjoyable, informative and interesting activities that you will find something just to your liking. If you have a suggestion for a new activity, we welcome it.

Once in a Decade Opportunity May 20 - 29, 2010 Oberammergau

The details of the **Imperial Cities Tour**, which includes the famous **Passion Play of Oberammergau**, have been released. The trip date is listed above. The cost is **\$5329**, including air and insurance. We will tour **Budapest, Hungary**, enjoy a Hungarian horse show, visit a lovely wine town and enjoy a Renaissance-style dinner. Adopt-A-Highway Wednesday, March 11, 2009

When we were organizing our Adopt-A-Highway volunteer group, our mentor was Los Gatos park ranger, Dave Gray. Wednesday is his day off and he joined us to clean the freeway. He drives our area every day and he says we do such a good job that he wanted to go out with us again.

No big finds this month—just a bunch of sticks, PVC pipe, 6 pennies, and an unopened can of Diet Coke.

9 volunteers filled 11 bags = 2414 total.

Schedule: Thursday, April 9, and Wednesday, May 13

Meet in the VTA parking lot at 8:45 AM.

San Jose Municipal, March 23, 2009. The "Shots-Of-The-Day" go to Mike Kuhn and Bob Graves. On Hole # 4, a par three, Mike chipped in his second shot from 20 yards out for birdie. On Hole #2, a par 4, Bob chipped in his third shot from 20 yards out, also for birdie. On Hole #6, a 362 yard dogleg right, par 4, Bob had a "frustrating" experience! His third shot landed on the green. He putted about 20 feet uphill. His ball broke to the left, just missing the hole, and stopped five feet past the hole. His second putt broke to the right, again just missing the hole, and stopped where his original putt began. He did this three times! He finally made his 7th putt for a whopping ten! (Note: The pin placement made it extremely difficult because when he just tapped the ball, it rolled downhill a long distance before it came to a stop. Surprisingly, he remained calm and exclaimed, "I surely got some putting practice on that hole!" But then I heard him giving his ball a well deserved "tongue lashing!" We had a nice turnout of 55 golfers. The format of play was "Two Best Ball Foursome." Here are the results:

Hikes

Edgewood Preserve Hike

Friday, April 24, 2009, 9:30 AM

We will visit Edgewood Preserve, where we hope to see a display of beautiful spring wildflowers. For this hike, we will be escorted by an Edgewood docent, Jan Simpson. Jan has led hikes at the park for a long time, and is quite knowledgeable about the variety of wildflowers there. The hike will cover anywhere from 5 to 6 miles depending on the route Jan chooses for us. The terrain will be rolling, with some climbing involved, so we rate the hike as moderately challenging. We will be enjoying our lunch after the hike in the park picnic area, so you may want to bring a snack to energize you while we walk.

When coming to Edgewood from the south (San Jose), use Highway 280. Turn off at the Edgewood Road exit. Turn eastbound on Edgewood Road (toward San Carlos and Redwood City). Proceed approximately 1.5 miles. The main park entrance will be on the south (right) side of the road. Parking at the preserve is limited; you may have to park on the roadside. Thus we encourage carpooling. Note that we are starting the hike ½ hour earlier in order to finish around lunchtime.

Carpoolers, meet at the Camden Park & Ride (Camden @ Hwy 85) at 8:15AM. Bring lunch, snack and water.

Sierra Azul – Mt. Umunhum Area Hike

Friday, May 29, 2009, 9:00 AM (note earlier start time)

On this hike, we will be exploring the Sierra Azul Open Space Preserve, close to Mt. Umunhum - once the site of Almaden Air Force Base. 3,486-foot Mt. Umunhum was named for the Ohlone word for "resting place of the hummingbird". There is no physical access to the top of the mountain, but we'll be in the general area and there will be plenty to see. The hike will be about 6 miles and will require a car bridge. After parking at a lot on Mt. Umunhum road, we'll ferry some of our cars to the start of the hike at the Bald Mountain trailhead and trek the 0.7 mile to the top. Then we'll turn around and come back down taking the Barlow and Woods trails. There is one steep hill but the hike is mostly downhill. We'll end up at the original parking lot. Since there is no appropriate place for lunch along the way, we'll eat back at the parking lot at the finish. So if you want to have a tailgate party after the hike, bring your lunch!

To get to our meeting place, take Almaden Expressway south and turn right at Old Almaden Road. Take Old Almaden Road for 4.5 miles (it is named Alamos Road after 2.5 miles) and turn right on Hicks Road. Go 1.6 miles and turn left on Mt. Umunhum Rd. The parking lot is immediately on the right. If you want to take a shorter but curvier route, get on Hicks Road off Camden Avenue. Go about 6 miles and turn right on Mt. Umunhum Road. We will meet at the parking lot at 9 AM. Wear hiking boots as part of the trail is quite gravelly. Bring plenty of water – none available on the trail.
