**Boulder Creek July 14, 2014.** No Shot-of-the-Day to report so, here is the Joke-of-the-Day. During her physical exam, a doctor asked the retired IBM woman about her physical activity level. The woman said she spent 3 days a week in the outdoors. "Yesterday was typical", she said. I went on a five hour walk through some rugged terrain. I waded along the edge of a lake, and pushed my way through two miles of brambles. I got sand in my shoes and eyes and barely avoided stepping on a snake. I ran away from an irate mother bear and an angry bull. The mental stress of all this left me shattered so at the end of it all, I had a Scotch and three glasses of wine." Amazed by this story, the doctor said, "You must be one heck of an outdoor woman!" "No", she replied, "I'm just a really crappy golfer!" The format of play was a Team Scramble using the "Wilson Handicap System". We had 35 golfers.
